

3M Health Information Management Team Quality Award

Presented by CHIMA

Call for Submissions

3M Health Information Systems in association with CHIMA wants to recognize initiatives within the field of Health Information Management that have created a significant, sustained change within an organization.

Teams can enter a single initiative or a collection of initiatives that have taken place within the past four years. Suitable initiatives include **Data Quality Initiatives** and **Chart Management & Tracking Projects**.

Teams may self-nominate. Open to all sectors of health care. Teams must consist of at least one HIM professional.

Application
Deadline
March 1, 2010

- Full details on the submission criteria for 2010 will be available on the CHIMA web site in October.
- In addition, all CHIMA members will be provided with full submission requirements via an email notification once the criteria have been finalized.
- Don't wait! Take action now! Start thinking about projects your team has implemented and the impact they made to your organization.
